CPC Yellow Pages Work

We have in the Beaufort marketplace a large number of methods available to get in front of potential clients that can benefit from the financial planning services we provide. We inquire of these clients how they found out about our firm as well as the benefits we offer. By far, of the paid avenues available, of making others aware of what we offer, the Lowcountry Phone Directory (especially Mr. Brent Cooper) has been the leader. The directory offers a “local” flavor that we feel fits well also with what we are attempting to accomplish.

Sincerely,

Ronny Tanner
Vice President
