CPC Yellow Pages Work

I have taken out ads in all 3 yellow pages in Beaufort. Just for an experiment I rotated ads each year. I poll my clients as to how they know about me. CPC got many more responses than Hargray or CenturyLink. His price for an ad was better and more effective.

I have only bold face in the other yellow pages now. Brent has always been quick to meet my needs and his turn around time is always excellent for proofs. I feel like we're partners. Hargray and CenturyLink are both very impersonal about their approach.

Sincerely,

Sandy Kozuck
